Every time she walks on by  
Am9 D7add6  
The loveliest girl to his eyes  
Am9 A9addC  
Such a vision to behold  
Bm11no5 Cmaj9addG  
He'd speak to her if he  
Am9  
He could be so bold

Every day the same ritual  
She strolls down the avenue  
She has such a regal poise  
As he watches her  
His heart is filled with joy

Dm7 Cmaj7 II  
What is it about that girl?  
B11no5  
His heart is pounding  
Bm6#5add4  
His head's awhirl  
Dm7  
He'd like to make her  
Cmaj7 II  
His entire world?  
EMaj7 E7  
She takes his breath away

Fiery nails on finger tips  
A sultry pout upon her lips  
Such a beauty to admire  
Of her his eyes  
His eyes will never tire

Her hips so gently sway  
As she walks past every day  
Perhaps she'll wear a gentle smile  
With her every step  
He's become beguiled

What is it about that girl?  
His heart is pounding  
His head's awhirl  
He'd like to make her  
His entire world?  
She takes his breath away

He hopes someday to catch her eye  
She will stop, instead of walking by  
Conversation they will have  
Perhaps they'll fall in love  
A love so very grand

That girl used to walk on by  
Until the day he caught her eye  
Now they walk together side-by-side  
Lovers hand in hand  
A woman and a man

What is it about that girl?  
His heart is pounding  
His head's awhirl  
She's become  
His entire world  
She takes his breath away  
He loves her more –  
Each and every day
