# PIRELLI MOTORCYCLE TIRES

*The Superior Tire of Tomorrow... Today!*

## MT-15 MANDRAKE

A high quality tire at a reasonable price. This tire is now available in the following sizes:

80/90S18 - 90/90S18 - 100/90S18 - 3.00S18 - 3.50S18 - 4.00S18

Mandrake tread design is ideally suited for front and rear wheels.

A special tire compound has been used to guarantee excellent road holding characteristics on all roads both in wet and dry conditions. These tires are ideal for touring machines.

## MT-29 PHANTOM

The matched front tire for the Phantom MT-28. The MT-29 tire has a semi-ribbed pattern which was developed to increase the directional control of high speed motorcycles. This special design and construction gives this tire on straight roads the same advantages of a ribbed tire (Directional control), and in turns, those of a block design (excellent road holding). This is due to the wide and deep tread design. The Phantom is available in the following sizes and will fit most high power machines sold in the United States.

100/90V18 - 100/90V19 - 4.10V18 - 4.10V19

## MT-28 PHANTOM V Rated

The latest tire developed by Pirelli suited for high performance superbikes with top speeds of 130 m.p.h. The Phantom has a wide and winding tread pattern which is an original scientific design that allows cornering to the maximum possible limit. These tires achieve performance similar to those of Grand Prix tires and are original equipment on the Ducati Super Sport 900 SS. Because the Phantom allows high mileage and a long life, it is recommended for both competition endurance racing as well as sustained sports riding on the turnpikes and freeways. The Phantom is available in the following sizes:

110/90V18 - 120/90V18 - 4.50V17 - 5.10V17 - 5.10V16 - 425/85V18

## MT-18 GORDON H Rated

Pirelli tires are original equipment on many motorcycles that are known for handling. The tire development comes directly from experience in endurance competition. The Gordon has excellent road holding capabilities in the corners, as well as straight roads. The use of this tire is mainly for sports riding.

Your touring enthusiasts, who insist on superior handling, will find the Gordon the answer. The Gordon is available in the following sizes:

100/90H18 - 3.50H18 - 110/90H18 - 120/90H18 - 4.10H18 - 3.25H19

These tires may be used both on front and rear and will fit most motorcycles on our roadways today. The Pirelli Gordon is priced right, and is the best value dollar for dollar available to the public today. This should be the best selling road tire you have ever handled.
